

AIR Partnership Executive Committee (APEC) Minutes  
7 May 2007 – Joint Army/Air Session – 11AM to 12PM  
Air PEC – 12PM to 2PM

Location: EMA, Room 104

Attendees: Steve Sims, VP Air; Mark Dickison, VP Air; Greg Shafer, Sec/Treasurer AFGE; Jeff Tanner, President AFGE; Mike Dohrmann, VP Air; COL Michael Ore, Deputy HR; Col Rick Lohnes, Air CC; Col Mark Stephens, Air CC; Maj Gen A.J. Feucht, ATAG-AIR; Col Robert Baylor, ESSO; Col Mark Bartman, Air CC; Dean Boling, Chief HR.

A quorum (5 labor / 5 management) was present.

Joint Session (Army/Air) addressed planning steps and operating assumptions proposals for the re-negotiation of a new collective bargaining agreement. The Partnership Charter, the Interest-Based Negotiation Procedures, the negotiation approach and ground rules were all briefed based on the last agreement process. Items of concern are to be identified with representatives prepared to discuss at up-coming Partnership Executive Council meeting on May 29, 2007.

### AIR PEC

<b>Item</b>	<b>Purpose</b>	<b>Status</b>
1. Previous Minutes The minutes from the last meetings of the 180FW, 179AW, 178FW and 121ARW Local Partnership Committees were distributed and reviewed. No action required.	Review	Accepted
2. LPC Metrics The status metric spreadsheet concerning completion of actions by local partnership committees was distributed and reviewed, and the spreadsheet of issues being tracked for status was also distributed and reviewed. Some data was not complete. Action: Follow-up by Labor Relations with LPC points of contact will be initiated for status update by next meeting.	Update	Open
3. Transformation Brig Gen Boggs presented an update on the status of Air issues from the Total Force Initiative (TFI) council. Handouts were distributed and information was briefed. A handout was distributed outlining the opportunities that will be available for cross-training or reassignment within the Air Guard created by new missions. A brief discussion followed.	Update	Open

NEXT MEETING: TBD
