27 April 2006

**PARTNERSHIP MEETING MINUTES**

MEETING began at 0900 on 25 April 2006; attendees were Stuart Driesbach, Andrew Morrow, Mike Smith, Tom Roberts, Clint Byington, Steve Cook, Douglas Schmitt and Ed Jenkins.

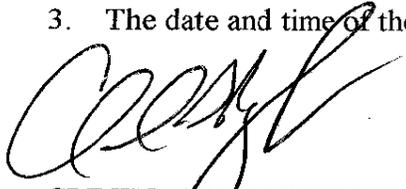

**1. OLD BUSINESS:**

- (a) Cable Reels in the Hangar – Morrow, Roberts, Schmitt – OPEN  
We will do a survey on the number of air and electrical lines is needed for work vs. employee convenience.
- (b) Smoking Policy – Driesbach and Morrow – OPEN  
Will contact facilities management for possible funding of new smoking shelters.

**2. NEW BUSINESS**

- (a) Running Track: Stuart Driesbach, Tom Roberts, Steve Cook – OPEN  
Facilities Management will be called to find out if a track can be made between 918 and 920 or anywhere else that may be available at the army enclave.
- (b) 10 Hour Work Week: Stuart Driesbach, Clint Byington, Steve Cook – OPEN  
A study or survey will be done on everyone in AASF #2 to see what the employees' ideas are on work hours. The results will be given to the supervisors.
- (c) Stand By Weekend Comp Time: Stuart Driesbach and Mike Smith – OPEN  
Any person qualified to use a tug is eligible to participate for mission support (training is available for those wishing to be qualified). A roster to use as sign up sheets for weekend duty will be available. Comp time or AFTPs will be given for each day of the weekend. The facility will try to obtain cell phones for weekend duty use.

3. The date and time of the next meeting will be announced at a later date.
