

Ohio Army National Guard
Army Aviation Support Facility #2
7750 South Access Road, Building 918
Columbus, Ohio 43217-5918

20081008

PARTNERSHIP MEETING MINUTES

MEETING began at 0830 on 20080930; attendees were Stuart Driesbach, Paul Tumidolsky, Dave Marcum, Robert Parsley, Bobby Lykins, Brad Anspaugh and Ed Jenkins.

1. OLD BUSINESS:

a. Running Track – OPEN

COL Driesbach continues to follow-up with COL Clouse.

b. Reels in hangar – OPEN (NOT ADDRESSED)

New maintenance tracking system coming on-line for the state and issue will be addressed then.

2. NEW BUSINESS:

a. Driving on Post – OPEN

Speed limit, etc., all traffic rules will be obeyed in accordance with memo dated 30 May 2007 signed by MG Wayt and Jeffery L. Tanner, President AFGE Local 3970. Posted through-out this facility. COL Driesbach discussed moving the guard shack to the opposite side of the road to eliminate the blind spot and will get with LTC McAllister to draft a policy letter about running on the road.

b. Cross-training for stay behind force – OPEN

Started refuel cross training for the following personnel: COL Driesbach, Bradley Anspaugh, Bob Ketchum, Roger Klise, Don Baker, Don Danielson, Caleb Barry and Bob Parsley. Bill Richards will document the training.

c. Maintenance Plan while BN is at training in December – OPEN

LSI will stay at least until the Battalion deploys to Fort Sill.

d. Uniform Policy – CLOSED

Proper uniform will be worn into and out of the facility (includes beret).

e. Rules and regulations – OPEN

COL Driesbach will meet with the supervisors on how to improve equal treatment from supervisors on rules and regulations, this will also include the 5 minute grace period and SSP's.

f. Position open prior to deployment – OPEN

COL Driesbach will look into the possibility of an early announcement for supervisor aviation mechanic slot, due to the retirement of Roger Klise.

3. The date and time of the next meeting will be announced at a later date.
