3. New Business:

*ARPEC Dates: 6 Aug 09, 16 Nov 09, 4 Feb 10

*Discussed selection of labor co-chair. Justin Wille needs to be a part of process selection. Question arose from labor as to why the union members have no input as to who represents them. Labor members would like to discuss this matter further before a unilateral decision is made.

* Continue to ask who are the dues paying members across the state?

* Need to determine which union dues paying members still have not had IBB training.

* Will AO's supervising technicians be allowed to join the LPCs or be visiting members?

* Union representation is not happening at the New Employee Orientation although it is on the schedule. What needs to happen to ensure those briefings take place?

*Would like information paper regarding WL's, rank inversion and upward mobility in order to better articulate to others.

4. Closing Comments:

Union/labor will meet at another time w/ the Union VP to further discuss selection process of new co-chair and to discuss aforementioned issues with their union leadership.

5. Next tentative meeting will be 8 October 2009, location: Piqua Armory
