

AGR NEW HIRE **MEDICAL PROCESS**

Congratulations on your acceptance into the AGR program!!

Contact your BDE MRNCO immediately and coordinate to complete your AGR PHA. Be mindful that DAT results need to post before your start date, we recommend you complete all requirements within 2-3 weeks prior to your projected start date. AGR orders are cut for the 1st or 16th of every month.

Print this checklist and hand carry to Med Det Staff to prevent any errors or delay in your start date.

PHA (Within **60 days** of start date)

ePHA must be completed prior to arriving at Med Det!!

HIV draw (date must be within **6 month** of start date)

***get copy of SF 600 with barcode if new draw was required**

Drug and Alcohol Test (Within **30 days** of start date)

AGR Staff will pull results once they post for your medical clearance

Hearing, Immunization, Dental, Vision, ect... MUST be within **1 year** of start date

Do NOT leave without a copy of your routing slip!!

Place a copy of your routing slip with your new hire packet and email SSG Dunlap.
