MEMORANDUM FOR Incoming Students to the National Guard Professional Education Center (PEC)

SUBJECT: PEC Course Non-Conducts Due To COVID-19 Precautions (20200402)

1. PEC recognizes the 60-day travel ban. Previously, PEC cancelled classes 16MAR-13APR20, with the exception of CISCO Academy Phase II. Based on NGB guidance, we have canceled the remainder of course within the travel ban timeframe. (Courses beginning 20APR-11MAY2020). The PEC staff is conducting analysis of which canceled courses can and will be rescheduled for later in the FY, after the travel ban is lifted. Once the new schedule is finalized, ATRRS will be updated to reflect the changes.

2. Below is a listing of canceled courses. No ATRRS action is required by the Soldier's state or unit at this time.
