**Subject:** FW: PEC Centrally Funded Course List FY 19  
**Attachments:** FY19 PEC Student Tvl Fund Cite Info.docx

Good afternoon all,

\*Please disseminate this information throughout your state as necessary, as there are some states that I only have one POC\*

I have attached the updated memo regarding next FY's DTS requirements and funding for travel to PEC. Please note, the newly allowed per diem rate will be \$55 (\$50/meals and \$5/incidentals) opposed to the previous \$59.

Another note, please update your POCs for PEC LOAs if you haven't already: SGT Floyd, Ms. Osborn, and myself are the primary contacts. Mr. Harvey and Ms. Moore should only be contacted if you cannot reach the three of us and it is urgent. If you happen to have Ms. Tine Edens listed as a POC, please remove her from your roster, as she will be retiring soon.

I am still waiting on the green light to give LOAs for FY19, so please stand fast. I will send out my usual email/spreadsheet as soon as I get funds.

As always, please feel free to contact me should you have any questions.

Respectfully,

SGT Beebout-Floyd, Taysia L
